

## **RENDITION DEADLINE: APRIL 1<sup>ST</sup>**

January 25, 2019

Dear Business Owners,

As a reminder, the Texas Legislature made the deadline for renditions April 1<sup>ST</sup> beginning in 2018. Please note that the rendition form for 2019 has not changed. We began using the Texas State Comptroller's rendition form in 2018, as well as the Texas State Comptroller's depreciation schedules. To view the depreciation schedules, please visit our website at [www.mclennanacad.org](http://www.mclennanacad.org).

This year the Business Personal Property Department will be holding rendition seminars to help the community with questions or concerns they may have when filling out their renditions. The date and times of the seminars are below. **You only need to attend one session.** An appointment is not necessary to attend a session, so please feel free to come at the time that best suits your schedule. If you are unable to attend either session, you may call or stop by our office anytime.

Electronic submission of the BPP Rendition is encouraged. You may email the rendition document to: [bpp@mclennanacad.org](mailto:bpp@mclennanacad.org).

**Avoid the 10% late rendition penalty by filing your Business Personal Property Rendition on or before the deadline.**

Thank you,

Business Personal Property Department
